A PICTURESQUE AND FLEXIBLE VENUE

We're excited to be hosting the inaugural AIA Newark & Suburban Barkitecture at the Union Congregational Church located at 176 Cooper Avenue, Montclair. With outdoor and indoor spaces we have plenty of flexibility to host this wonderful event rain or shine!

MEET THE 2025 RESCUE PAW-TNERS

PAWS (Pound Animal Welfare Society Of Montclair, Inc.) is an animal rescue and sheltering group that has been serving Montclair and the surrounding communities for over 45 years. Our organization focuses on at-risk dogs and cats throughout New Jersey. We maintain two small sheltering facilities as well as an established fostering network.

The mission of Rescue Haven Foundation is to save dogs and give them a chance at a new life. We do this by providing foster homes that will nurture their physical and emotional health, help locate their ideal forever homes while providing support and training to help assure that their stay in their new homes will be a permanent and positive experience.

Associated Humane Societies rescues stray and homeless animals, both domestic and wildlife, providing quality care and sanctuary until loving homes can be found. As a community-based organization, we provide low-cost veterinary care and humane education to promote responsible pet guardianship throughout New Jersey.
